Indira Gandhi Arrives For Top Level Talks With LBJ

WASHINGTON UPI — Mrs. Indira Gandhi, prime minister of India, arrives in Washington today with a full portfolio of problems—most of them economic—to discuss with President Johnson.

The two-day state visit to the capital of the world's most powerful democracy by the leader of the world's largest democracy was to begin with an official White House welcome. Mrs. Gandhi flew from Paris to the United States Sunday, spending the night at historic Williamsburg, Va.

She and the President whom she knew from previous U. S. visits and from a Johnson trip to India while he was vice president, were to begin their talks soon after her arrival at the White House.

In a statement issued in Williamsburg Sunday, the 46-year-old widow said the purpose of her visit was to seek "closer understanding of nations and the aspiration of their people. . . and so both the United States and India, jointly and separately, each in its own way, are strengthened in the common endeavor of promoting peace."

The Communist Chinese threat to India, the Viet Nam war and India's dispute with Pakistan over Kashmir were among the top-priority items on the agenda for discussion.

Mrs. Gandhi's visit to the United States coincided with a state visit to Pakistan by China's President, Liu Shao Chi, who was warmly applauded by government officials at a Rawalpindi banquet Saturday when he denounced "American imperialism." Liu also urged Pakistan to join Red China in "unity against aggression."

Liu's reception in Pakistan seemed to presage new and more perilous problems for an India already wracked by famine, language riots and the economic stagnation which was the result of the recent Kashmir war.

India's faltering economy was expected to rank No. 1 on Mrs. Gandhi's agenda during her two days of intensive talks with Johnson, Secretary of State Dean Rusk and other officials.

Coin Club To Meet Tuesday

The regular monthly meeting of the Putnam County Coin Club will be held Tuesday, March 29, 7:30 p. m. at the Lions Club building.

The public will be interested to know there is no admission charge and everyone may participate in this month's meeting. It will be a "Trade Night" and everyone is invited to bring coins and trade with other persons present. There will be coin dealers in attendance and an auction conducted.

The public is invited to attend and to participate in what promises to be an eventful evening.

High Court Meets

WASHINGTON UPI — The Supreme Court meets today to hand down opinions and orders before beginning the second week of arguments in the March session.

20 Years Ago

The engagement of Miss Marian Bittle to Harry McClaine was announced.

Miss Judy Friend was here from Indianapolis where she was in nurses training at the Methodist Hospital.

Captain Fred Jordan, who had been stationed in Brussels, Belgium, was visiting old friends in this city.

P.E.O. met with Mrs. Y. L. Raphael.

Giant Bombers Stage Three Massive Raids

Miss Sara Lou Hanna, daughter of Mrs. G. W. Hanna, has received a full scholarship to the Yale University Graduate School to study for a Ph.D. degree in Comparative Literature.

A 1961 graduate of Greencastle High School, Miss Hanna attended DePauw University for two years, spent the following year in France, and completed her undergraduate work at Indiana University.

As a freshman, she was a member of the Alpha Lambda Delta women's honorary; in France she received a Certificate of Merit for French studies; and recently at Indiana University, she has been elected to the National Classical Honorary Society, Eta Sigma Phi, for outstanding work in Greek.

Miss Hanna will spend the summer in Germany before attending Yale this fall.

Special Sesqui Meet Thursday

Business and civic leaders of Putnam County have been invited to a special meeting, March 31 of the Putnam County Sesquicentennial Committee.

Sid Ekdale of the Rogers Company will be present at the meeting.

The Rogers Company, located in Ohio, presents pageants and plans celebrations for communities throughout Indiana and the Midwest. The company was involved in the successful observance of the Crawfordsville Centennial in 1965.

Putnam County can have a pageant and sesquicentennial celebration in September if enough county residents are interested. The combined efforts of a great many people will be required to insure the success of such a program.

All interested persons are urged to attend the meeting which will be held in the Public Service Room on March 31, at 7:30.

Mont To Speak

Tommy Mont, DePauw football coach and Putnam County's only candidate for the 7th District Congress, will be the featured guest at the Washington Township fire house, Friday, April 1st, after 7:00 p. m.

Washington Township Republicans invite all voters to come to the fire house this coming Friday and have pie and coffee with Mr. Mont and other friends in the Reelsville community.

Americans Conduct Protests Against War

Heavy Rainfall, Hail In Texas

Showers and thunderstorms fell from the Southern Plains into the lower Mississippi Valley today following a rush of moist, unstable air from the Gulf of Mexico.

Light rain and snow fell in a narrow band from the lower Great Lakes region to New England.

The heaviest thunderstorms fell over east Texas. Marble-size hail driven by winds gusting to 50 miles an hour were reported south of Austin.

Northeast Texas at Wichita Falls was hit by hail.

A Canadian high pressure area kept temperatures below normal over most of the nation east of the Rockies.

Temperatures in the teens prevailed from the northern Great Lakes to New England and freezing weather was reported as far south as Missouri and Tennessee.

Record cold invaded upstate New York Sunday. Rochester had a low temperature of 4 above zero, a record for the date.

Light snow fell in New England and the Central Plains. Burlington, Vt., collected 3 inches of snow. Up to 4 inches of snow fell across eastern Kansas and northwestern Missouri.

One of the B52 raids today was so close to Saigon that it rattled windows and shook the ground in the capital. This has been the case in several previous raids by the eight-jet Stratofortresses near the city.

Tons of bombs were unloaded on suspected Communist troop concentrations and a Viet Cong factory area 20 miles southeast of the capital in the Rung Sat special zone.

Ban Exhibition

ZURICH, Switzerland UPI — Zurich Sunday banned a planned exhibition by the leftist "Committee for Information on the Viet Nam War," a group which repeatedly has been criticized for its anti-American viewpoint.

More than two hundred Farm Bureau members and friends were greeted at the 16th annual District Farm Bureau Achievement Banquet Friday evening at the Community Building by Mrs. Maureen Aker, County FBW leader and Morris Evens, County FB president.

Hollys Moon, head of the state FB organization department, spoke on "New Horizons in Farm Bureau."

Mr. Moon stated that looking back to see what we have accomplished is a challenge to us as we face the future. FB is now in its fifth year of continuous growth. FB now has 2,750 organized county units with

41,000 officers and board members. What do we see in the future? Rapid change in agriculture, so there must be changes in FB. Six areas where FB will be working in the future will be: area of communication between city and rural people, natural resources, marketing, farm record keeping, local affairs, and political action.

Marion Cowan, district president, presided during the evening and introduced the leaders from the nine counties of the district.

Meredith Kincaid, district fieldman, presented the membership awards, also the star county awards, which were won

by Montgomery County, 1st; Parke County, 2nd; Putnam County, 3rd. Putnam County also received the first place award for their youth program.

The award was presented to Maurine Aker and Clifford Hillis.

Mrs. Glendon Herbert, district FBW leader, presented recognition and awards to outstanding leaders and winners in district projects. Putnam County was awarded second place in the Indiana Co-Operative extension work; first place in the public speaking contest was won by Mrs. Charles Walgum; Ralph Fry was the winner for the Purdue short course scholarship, the county 4-H

MADISON, Wis. UPI — Tens of thousands of Americans demonstrated against the war in Viet Nam during the weekend and an organizer of the protest said it was "just the beginning."

Frank Emspak, 22-year-old head of the National Coordinating Committee to End the War in Viet Nam, said future demonstrations would be aimed at areas which did not participate in this week's "international days of protest."

He said the marches and rallies in more than 100 U. S. cities were "just the beginning of a drive to organize people to really bring about an end to the war."

Yale University Prof. Staughton Lynd, a leader of the "new left," told a rally in Chicago that the anti-war movement would "carry the dialogue of this war to the American people" this summer.

"We will try to create town meetings of discussion on Viet Nam," Lynd said. "We'll need a half million persons to go to their neighbors and ask why we are at war in Viet Nam."

Demonstrators who marched through cities from New York to California Saturday were heckled by supporters of the Johnson administration's policy in Viet Nam. Several fist fights broke out and demonstrators were pelted with tomatoes, beer cans and eggs.

Record cold invaded upstate New York Sunday. Rochester had a low temperature of 4 above zero, a record for the date.

Two Phases Planned In Red Cross Drive

Urges Ceiling On Troops In Viet

WASHINGTON UPI — House Republican Leader Gerald R. Ford urged Sunday that a ceiling be set on the number of U. S. ground troops in Viet Nam "unless and until" greater air and sea power is used.

Ford said in a television interview there was much to be said for the contention that American troops "are fighting with one hand tied behind their backs."

He said steps should be taken to mine or bomb the North Vietnamese port of Haiphong before more U. S. troops are brought to the war. Haiphong is considered a strategic enemy supply point.

The GOP leader said he was not giving military advice, and that he supports administration policy in the war.

Two Arrested

Stephen McMains, 16, was arrested by City Officer John Stevens at 10:55 Saturday night for failure to observe a stop sign at Hanna and Locust Streets.

Douglas Schoreck, 20, Indianapolis, was lodged in the Putnam County jail at 5:30 Sunday morning by State Trooper Jack Hamon on a public intoxication charge.

Students in Greencastle schools will have an opportunity to become owners of large American corporations, and to share in their profits through quarterly dividends, under a unique Jaycee-Shallenberger Plan to be introduced this week under sponsorship of the Greencastle Junior Chamber of Commerce.

According to Lou A. Ehrke, chairman of the plan for Greencastle, the Jaycees have purchased a license and have agreed to underwrite the program for the benefit of students in all public schools within the city.

Every student will have the opportunity to purchase one of the following common stock "packages": 3 shares of American Motors Corporation (Rambler cars and Kelvinator refrigerators), 1 share of Fruehauf Corporation (truck trailers), 1 share of Kroger Company (grocery and drug stores), 1 share of Greyhound Corporation (bus lines), or 2 shares of Republic Corporation (motion picture films).

According to Ehrke, the Jaycees will pay most of the brokerage fees, transfer taxes, clerical costs, and license fees on behalf of students or teachers who take advantage of the opportunity. Current values of the five stock selections will be announced after the close of the stock market today. Cost to the student or teacher will be basically the odd-lot market price, with the Jaycees contributing brokerage expenses. Prices of the various packages will range between \$10 and \$40.

All securities listed have been paying quarterly dividends. Thus, the student investors will receive dividend checks by mail at their homes each three months, provided the companies in which they invest continue to earn profits as in the past.

To enlist in the program, a student signs up at the principal's office in his or her school; payment for the shares will be made at the Central National Bank on Saturday morning, April 16. No student may purchase more than one of the five securities, and no student may purchase more or less than the number of shares listed.

The first 150 students to sign up will receive an additional \$1 contribution by the Jaycees to Continued on Page 2)

Sees Russ Leading

BALTIMORE UPI — A U. S. space official said today Russia may well capture the lead in planetary exploration "during the years immediately ahead."

Edgar M. Cortright, deputy associate administrator for space science and applications for the National Aeronautics and Space Administration (NASA) said it remained to be seen which country will dominate exploration of Mars, Venus, and the rest of the solar system in future decades.

The Rung Sat zone is the region where thousands of U.S. Marines stormed ashore Saturday in the southernmost U.S. landing of the war. The Leatherns, slogging through the slime and muck of the mangrove swamps on the Long Thanh Peninsula, have met only sporadic sniper fire and light contact with the Communists. A handful of Communists was reported killed.

The operation is intended to keep the Viet Cong from harassing the heavy Saigon River traffic which brings in supplies from the sea. Several merchant vessels have been attacked by Viet Cong gunners on the channel in recent weeks.

WALL STREET CHATTER

NEW YORK UPI—Goodbody & Co. says the stock market now seems to have discounted, about as much as it intends to, the possibility of higher taxes and the implications of fiscal and monetary pressures.

The firm says the indifference to the government rollback of cigarette price increases seems to confirm that the market has been pretty well sold out.

William R. White of Hornblower & Weeks-Hemphill, Noyes says that on the basis of precedent, it would seem that the decline of almost 10 per cent from the February high has solidified the market sufficiently to encourage hope of a worthwhile recovery from an oversold position.

Bache & Co. says it feels the market can trace a generally constructive pattern, helped by good first quarter earnings, reasonable price-earnings multiples for many key stocks and an improved technical position.

Lady Bird To Take Raft Trip

MARFA, Tex. UPI—Lady Bird Johnson will plant a tree and take a raft trip down the Rio Grande this week to call the nation's attention to possible the only part of Texas that looks like the setting of a Western movie.

The First Lady has often expressed a desire to see the Big Bend National Park in far southwestern Texas, a region of mountains and desolate canyons of the Mexican border.

It is an ideal time for a visit to the Big Bend. The chilling winds have ceased and it will be several weeks before temperatures edge toward 100 degrees.

Mrs. Johnson and her party of aides and newsmen accompanying her have every tourist cabin in the park reserved.

Peach Crop Is Damaged By Cold

BEDFORD UPI—The Southern Indiana peach crop may have been harmed by sub-freezing temperatures last week, area orchardists said today.

David Byers, operator of an orchard south of Bedford, said if it does not get unusually cold between now and May 10, the loss should not be great. He estimated that as conditions now stand, the crop should be 65 to 80 per cent of normal.

Byers said he attended a meeting of a few members of the Wabash Valley Fruit Growers Council in Terre Haute Friday night and all present voiced concern for the peach crop in Southern Indiana.

High and Low

NEW YORK UPI—The highest temperature reported Sunday to the U. S. Weather Bureau, excluding Alaska and Hawaii, was 88 at Presidio, Texas. The lowest reported this morning was 10 below zero at Marquette County Airport, Mich.

PARENTS OF DAUGHTER

Mr. and Mrs. Rex W. Thorlton have received word of the birth of a daughter to Mr. and Mrs. John McRae Thorlton of Wheaton, Illinois. The new baby arrived on March 24 and has been named Kristine Kenyon. The Thorltons also have a son, Tim, age 2½. The maternal grandparents are Mr. and Mrs. Carter J. Harrison of Springfield, Illinois.

John McRae Thorlton has recently been promoted to supervision in the central headquarters of The Western Electric Company in downtown Chicago. He joined Western Electric in management training in the Chicago plant in 1961 after his graduation from DePauw. This was interrupted by a four-year tour of duty as a U. S. Navy Officer, stationed in Hawaii. He returned to Western Electric in March 1965.

Greencastle O. E. S. Holds Installation

Greencastle Chapter No. 330 O.E.S. held public installation of officers on Friday evening, March 18, 1966. The 1965-66 officers filled their stations for the opening. Sister Clara Everts and Sister Frederick Everts were the retiring Matron and Patron.

Sister, Aileen Pickett, Past Matron of Stilesville Chapter, was Installing Officer. Those who assisted her were: Installing Marshal—Bro. Jack Pickett

Installing Chaplain—Sister Ruby Everman
Installing Organist—Bro. Paul Evans

Eileen Gowin was installed as Worthy Matron. Bro. Maurice Kersey sang "How Great Thou Art" while she was at the altar. She was escorted East by 2 of her granddaughters, through an escort formed by Past Matrons forming an arch of red roses and then presented a bouquet of red roses by her granddaughter, a gift from the Chapter. Claude Malayer was installed as Worthy Patron. Bro. Maurice Kersey sang "Star of the East" and the Worthy Patron was then escorted East by two great grandsons through an escort formed by Masons.

The following officers were then installed:

Assoc. Matron—Lilah Church
Assoc. Patron — Franklin Ramsey
Secretary—Louise Harmless
Treasurer—Ruth Wilms
Conductress—Charlotte Fine
Assoc. Conductress — Alma Montgomery

Chaplain—Effie Miles

Organist—Marjorie Lewis
Adah—Lois Spesard
Ruth—Pauline Hammersley
Esther—Gerri Heavins
Martha—Jean Huffman
Electa—Viola Wise
Warder—Nellie Maayer

Sentinel—Maynard Thompson
The Worthy Matron's Motto — "Let Faith, Prayer and Love Abide in Our Hearts" and a white styrofoam pedestal upon which rested her emblem, the crown and scepter, united, backed by a red velvet drape with tiny red roses at the base of the pedestal—decorated the East.

In the West were her Watchwords, "Loyalty and Service" and a bouquet of red roses. The Worthy Matron has chosen the red rose as her flower and red and white as her colors.

The dining room tables were beautifully decorated with artificial spring flowers.

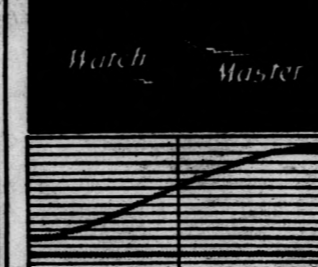

Mrs. Pehan Hostess To Colonial Dames

Mrs. Henry Pehan was hostess to the Sir John Ogle Chapter of the Colonial Dames of the Seventeenth Century on Friday with a 1:00 p.m. dessert. She and her daughter, Betty Smith, are prospective members.

Mrs. Elmer Seller, president, opened the meeting by all giving the pledge to the flag and the reading of the American's Creed. Since Mrs. Frank Schaffer is so ill, Miss Carrie Pierce was elected to fill the vacancy of secretary. Reports from the state December meeting were made. Also the state meeting on May 14th to be held at the Continental Hotel was announced.

Mrs. James Goodin Is Hostess To Club

The Tip Toppers Home Demonstration Club met with Mrs. James Goodin for their March meeting.

The president, Mrs. Jack Anderson opened the meeting. The salute to the Christian flag and American flag were given in unison. Roll call was answered by ten members. Two guests were Mrs. Lois Harrah and Miss Elaine Chestnut.

The history of the song "Wearing of the Green," was given by Mrs. James Goodin. She also led the group in singing the song; also happy birthday was sung to Mrs. Victor Sutherland.

The secretary's report was given by Mrs. Charles Chestnut. Mrs. Ralph Cox gave the treasurer's report. They were approved as read. The Outlook was given by Mrs. George Walton. The program planning was given by Mrs. George Walton. The lessons were discussed and voted upon for next year. The business meeting closed with the group repeating the club prayer.

During the social hour an interesting contest was given by Mrs. Lionel McCabe and won by Maye Truax.

The hostess invited everyone to the dining room where the table decorations and refreshments were in keeping with St. Patrick's Day.

The next meeting will be April 19 with Mrs. Jack Anderson.

Mrs. Sinclair Hostess To Cloverdale Club

The Cloverdale Craft Club met Wednesday, Mar. 23, at the home of Mrs. Wayne Sinclair. Nine members and two guests were present. Mrs. Mary Allee and Mrs. Michaeline Walton.

The afternoon was spent making can rubber hot pads and discussing other crafts. Helen showed a broom cover she had made and it was decided to make them next month.

A short business meeting was held and the afternoon adjourned were served by the hostess.

White Lick Meet At Reelsville

The White Lick Association Women's Missionary Spring Conference will be held April 1 at the Big Walnut Baptist Church, Reelsville. Registration time will be at 9:30 a.m.

Miss Edna D. Smith, recently retired American Baptist Missionary to Hong Kong, will be the special speaker. She served in South China beginning in 1921. The Sino-Japanese war cut short her work in China and she was repatriated in 1942. During the time she was at home, Miss Smith earned a B.R.E. degree from the Biblical Seminary in New York City. She returned once more to China after World War II, but in 1951 was forced to evacuate to Hong Kong. Here she served among the Swatow-speaking Chinese, many of whom are refugees from the mainland.

The state team will be Mrs. Henry Yates, Vice President of Missions, and Mrs. K. Tyler, Love Gift Chairman, will also be special guests and speakers.

Special music will be presented by students of Reelsville school. Cindy Cox, Judy Mace and Wanda Rigney will sing as a trio, David Callahan a solo, and Larry Gibbs, Steve Spicer, Pam Mathews, Doris Hartman, Ed Kendall and David Callahan as brass sextet under the direction of Mrs. Charlotte Pickett and Bill Stockwell.

Pastors of every church are invited. Bring a sack lunch, refreshments and dessert by host church.

Daughters of 1812

Met On Thursday

Mrs. Nathaniel Huckleberry was hostess to the Tippecanoe Chapter of Daughters of 1812 on Thursday evening. Since the president, Mrs. Frank Schaffer, is very ill Mrs. Huckleberry, vice president, presided. The meeting was opened by the chaplain, Mrs. Elmer Seller, reading the ritual. The pledge to the flag was given.

New officers were elected as follows: president, Mrs. N. Huckleberry; vice president, Mrs. Wayne Pitts; secretary, Miss Helen Browning; treasurer, Miss Carrie Pierce.

For the program Mrs. Huckleberry presented Miss Pierce who read two very interesting articles concerning "The Role Our Country Has Taken." Nowadays the American Christian seems to feel so personally guilty about the world in general that he never takes time to thank God for his wonderful heritage. The United States of America possesses the background of religious understanding; has given immigrants a home, has helped overseas, and has done more than any other country about the race problem. Light refreshments were enjoyed.

IS GOD DEAD?

Brother George Wascovich was dealing with the basic tenets of Christian life Sunday night with the crowd at Fillmore Christian Church.

He said the time has come that Christians must show whether God is alive. It cannot be done by telling but only by showing how God affects your personal daily life. Man, today, wants to see God in action.

He asked "If someone who had never seen a fire asked you about it—would you tell him what it looked like; how it throws out heat; how it can put forth light? or would you take him by the hand and say come with me and let me show you what a fire is. Come feel its warmth—come see the light it gives." Could you show someone God?

You can help show how God affects your personal life by being there several nights this week. Phone your friends and invite them to come with you. But be prepared to hear a sermon that will shake your soul!

Mystery Object Over Georgia

COLUMBUS, Ga. UPI—An airport control tower operator reported seeing a glowing, oblong object maneuvering high in the sky Sunday. He said it was tracked on radar.

Six Columbus policemen, and a control tower operator at Ft. Benning, Ga., also said they saw the strange object.

Doyle Palmer, an air traffic control operator at Muscogee County Airport, said he first spotted the greenish white, cigar shaped object at about 5:30 a.m., and that it was tracked on radar at Atlanta for over an hour. He estimated its height at about 5,000 feet.

Palmer said he had first thought the object was a star, "but you don't pick up stars on radar." He said he could still see it clearly after the sun came up—when stars normally disappear—but by that time it had shrunk to the size of a pin head and was moving southeast.

Columbus police detective G. H. Ferguson said he spotted the object after hearing radio reports about it. He described the glowing thing as wedge-shaped and said he saw it rising in the air. He reported it was much brighter and moved faster than a star. Ferguson said he observed the object until after 7 a.m.

Don Haddock of radio station WDAK also said he watched a triangle-shaped glowing object in the same area until about 7 a.m.

All reports concurred on the location of the object southeast of Columbus over an Army restricted area.

Kidnap Youth, Demand Ransom

SURFSIDE, Fla. UPI—The teenage son of a prominent contractor was kidnaped Sunday night by a gunman who demanded \$25,000 ransom by dawn Tuesday and threatened "or you'll never see your son alive."

Police said the armed kidnaper barged into the waterfront home of Aaron Goldman in this Miami Beach suburb and took Goldman's 17-year-old son, Daniel.

Surfside Police Chief Wiley Barefoot said the kidnaper, who was wearing a baseball cap, then bound and gagged Goldman and his wife and fled with their son in Goldman's car.

The kidnaper demanded \$25,000 ransom in cash by 6 a.m. EST Tuesday.

Chief Barefoot said the FBI is investigating the case. A spokesman for the FBI said, however, they were only acting as a "liaison" in the case "because no federal crime has been committed."

GOP Is Believed On Way Back

By RAYMOND M. LAHR

WASHINGTON UPI—A year ago Ray C. Bliss was picked to doctor up a national Republican party organization reeling from catastrophic defeat in the 1964 elections.

It was agreed his patient was among the walking wounded. Many doubted it would ever be whole. Some doubted it would even survive.

But Bliss had 16 years of service as Ohio Republican chairman behind him. He had faith—and he had a plan.

Today the patient looks healthier, and although the next diagnosis will not be available until November, predictions are the elections will show a rejuvenated party.

The selection of Bliss was a new experiment for the party. Except for one short-termers,

GETTING UP NIGHTS MAKES MANY FEEL OLD
After 35, common kidney or bladder irritations often occur and may make you tense and nervous from too frequent passages both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by soothing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugstore. Feel better fast.

he is the first fulltime professional to be named party national chairman.

Bliss was an appropriate choice for such a change since professionalism is his motto for success in building political strength.

He took office April 1, 1965, succeeding Dean Burch, who had been installed during the 1964 campaign by conservative Barry M. Goldwater, the presidential nominee.

Bliss was the first step toward reinvigorating the party, and it was hoped the fact that he was acceptable to all its segments would go far in healing the breaks of Republican factionalism.

A year later, Bliss feels that

the GOP has indeed regained a measure of unity, that suspicion and hostility between factions is subsiding. He also believes his headquarters team has progressed toward rebuilding a party structure which he thought had been rotting away for years before the 1964 elections.

Having scraped bottom then, the Republican party appears to be on the comeback, although Bliss himself denies any political party can depend on an "automatic comeback" after defeat.

Bliss blames the decline of Republican strength in recent years in part on a tendency to treat politics on a part-time basis just in campaign years.

Gary Roosevelt Ranked No. 1 Track Team In Indiana's High Schools

BLOOMINGTON UPI—Gary Roosevelt ranks once again as the team to beat for high school track honors in Indiana this year.

The powerful Panthers of coach Don Leek won four events outright and shared the title in another Saturday in the 18th annual Hoosier Relays high school track carnival at Indiana University.

Roosevelt won the two-mile, distance medley and mile relays and shared the 880-yard relay crown with Brebeuf and Roosevelt's Williams pulled an upset by winning the 60-yard high hurdles in record-tying time.

The only relay event in which Roosevelt did not figure was the shuttle hurdle won by New Al-

bany in :29.8, four-tenths of a second off the record set 11 years ago by Muncie Central.

The only record threatened was in the hurdle where Williams won in :07.3 after State low hurdles champ Howard Doughty of Fort Wayne North fell at the final hurdle while he was well on the way to a new record. Doughty's teammate, state high hurdles champ Jim Hallenbeck, was sidelined with a pulled muscle and did not compete. Williams' performance matched the record set in 1955 by Muncie Central's Dick Stillwagon.

Mike Lester of Lafayette was the only repeat winner, taking the broad jump for the second consecutive year with a leap of 21 feet 9 3/4 inches.

Clyde Peach of Brebeuf won the 60-yard dash with a :56.3 clocking, one-tenth of a second off the record set in 1961 by Jack Davis of Indianapolis Wood.

Steve Norris of Rochester cleared 6 feet 6 1/4 inches to win the high jump while Ken Mahlke of Pike went 12 feet 11 1/4 inches to win the pole vault. Bob Winchell of Evansville Harrison won the shot put with a heave of 55 feet 2 1/4 inches.

Roosevelt won the two-mile relay in 8:22, the distance medley relay in 8:32.1 and the mile relay in 3:29.9. Roosevelt and Brebeuf, running in different sections, tied at 1:33.9 in the 880-yard relay but Roosevelt won the coin toss for the trophy.

Southern California Wins 4th NCAA Swim Crown

AIR FORCE ACADEMY, Colo. UPI—The University of Southern California had its fourth straight NCAA swimming championship today thanks to Roy Saari, but you wonder what would have happened if Don Schollander had been there.

Saari accounted for 80 of USC's 302 points and led the Trojans to an upset win over favored Indiana. He won the 200-yard freestyle, the 500-yard freestyle and 1,650-yard freestyle events and swam the anchor leg on the Trojans' winning 400-yard relay team.

The wins were his ninth NCAA individual championships. The only other swimmer to win nine titles was Jack Medina of Washington during 1934-36.

But everyone wondered how things would have turned out at the meet 7,060 feet high in the Rocky Mountain foothills at the Air Force Academy had Schollander shown up.

The blonde Yale swimmer who won four gold medals at the 1964 Tokyo Olympics did not compete because Yale and other schools pulled out in a dispute with the NCAA over a minimum academic standard.

But as it was, it was all Saari. He led USC to a convincing 302-286 team win over runner-up Indiana. Michigan was third with 253 points in the meet which ended Saturday night. Michigan State was fourth at 173 and Southern Methodist University was fifth with 143.

Gary Dilley of Michigan State was the only swimmer to set an NCAA record in the high altitude which gave swimmers and divers a practice test of conditions when the 1968 Olympics will be held at Mexico City, which has about the same altitude as the Air Force Academy.

Dilley won two events and broke the meet, NCAA and American record in the 100-yard backstroke Friday with a blazing 53.3. He won his second title and second straight 200-yard backstroke crown Saturday night.

Coaches blamed the altitude for the lack of records set in the meet. They said times were a few seconds slower in distances over 150 yards, but most ad-

Jim Clark Wins Driver Of Year Award From ABC

NEW YORK UPI—The American Broadcasting Company's Wide World of Sports program presented its "Athlete of the Year" award Saturday to world driving champion Jim Clark, Duns, Scotland.

Host Jim McCay presented the award to Clark Saturday in a filmed sequence of the program. Clark is the first professional athlete ever to receive the award. Previous winners were track stars Jim Beatty and Russia's Valery Brumel and swimmer Don Schollander.

In addition to winning last year's world championship with six consecutive grand prix victories, Clark also won the Indianapolis 500-mile race.

Aces Win In First Meet, 7-4

The rarely-achieved hat trick was accomplished four times Sunday in a bevy of high-scoring American Hockey League contests.

Quebec and Rochester, both of whom have clinched their respective divisions, met in the day's No. 1 attraction and the Aces pulled out a 7-4 decision. Three-goal performances were turned in by Jim Morrison of the Aces and Mike Walton of the Americans.

Cleveland's Tom McCarthy hit the hat trick and added an assist to overcome Gene Ubriaco's three goals for Hershey and lead the Barons to a 6-4 win. Hershey led that one 4-3 after two stanzas before McCarthy got rolling.

The goals were spread out more evenly in the day's other AHL activity, which saw Springfield blast Providence 4-1; Pittsburgh down Baltimore 6-1; and Buffalo lose a wild overtime 7-6 decision to Western Hockey League kingpin Portland.

Dunkirk Blonde Is '500' Queen

INDIANAPOLIS UPI—Sue Helen Harrison, 18, Dunkirk, will reign over the month of activities in connection with the 500-mile auto race May 30 at the Indianapolis Motor Speedway.

The blue-eyed blonde was chosen Saturday night as queen of the 1966 "500" Festival. The other four finalists will serve as her princesses during the festival activities. They are Meredith Ann Mueller, Susan Karen Peterson and Gloria Gae Seeburger, all of Indianapolis, and Joyce Worman, Evansville.

Miss Harrison, an Indiana University freshman, is the daughter of Mr. and Mrs. Paul Harrison, Dunkirk. She was sponsored in the queen competition by Mr. and Mrs. Robert McConnell, Indianapolis. McConnell is president of this year's festival.

Glickman To Give His Account

CHICAGO UPI—Bernie Glickman, a fight manager and an admitted associate of crime syndicate hoodlums, was expected this week to give a federal grand jury a first-hand, eyewitness account of mob control of boxing.

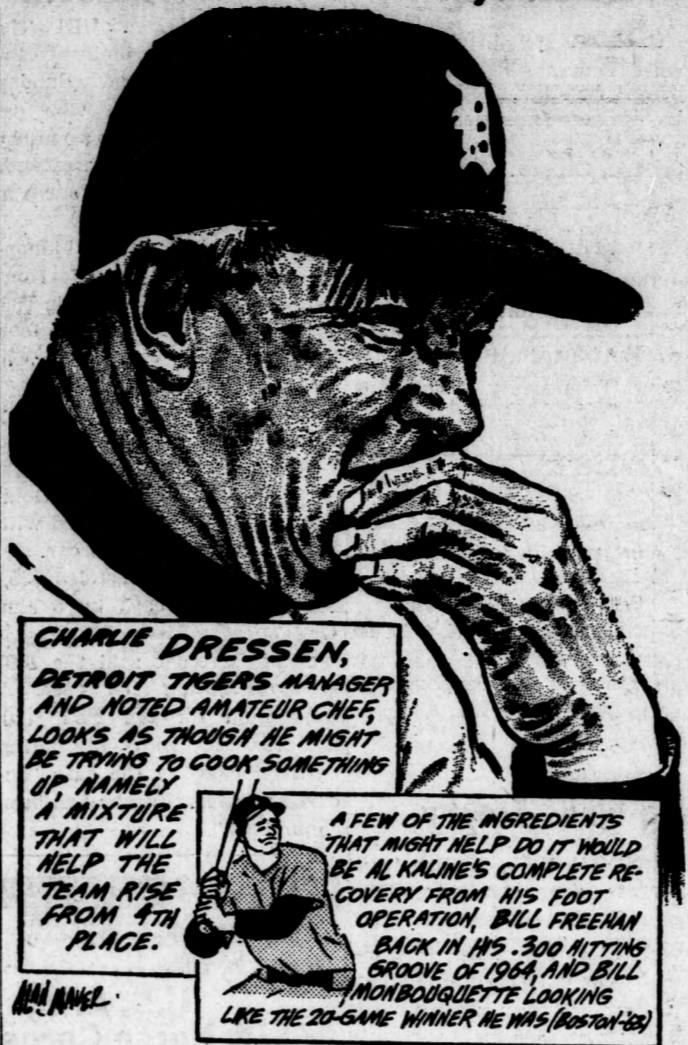

Glickman, who has been in protective custody of the U.S. Justice Department, was expected to be one of the first of a number of fight game and underworld figures subpoenaed to testify in the federal investigation which opens in Chicago Wednesday.

U. S. Atty. Edward V. Hanrahan said Glickman told of death threats delivered to him and his heavyweight fighter, Ernie Terrell, during arrangements in January for a Terrell-Cassius fight.

Tiger Baseball Team To Make 1st Home Debut

DePauw University's baseball squad swings into action at Blackstock Stadium tomorrow afternoon, hoping to find Hoosier opposition more hospitable than what it found in the South.

Home with a 1-7 mark after the one-week trip through Dixie, the Tigers host Indiana Central's Greyhounds here at 3:30 p.m. Central lost its 1966 debut last Saturday, a double-header setback at Indiana State.

The Tigers opened their spring trip well enough, a 7-4 eleven inning victory over Middle Tennessee State, but wound up losing the next seven in succession — Valdosta, 1-0; Florida A&M, 6-5 and 4-1; Tampa 8-0 and 8-1 and Rollins 11-2 and 10-4.

Central has a veteran squad returning this season with a nucleus of 11 lettermen. The

Duesenberg To Return To Scene

INDIANAPOLIS UPI—A famous name returned to the American automotive scene today with the unveiling of the first Duesenberg luxury car built since the mid-1930's.

The virtually hand-made prototype of what its manufacturer calls "a new standard of motoring excellence" was being shown to newsmen at 10 a.m. EST in the ballroom of a downtown hotel. Other invitation-only previews were planned Tuesday and Wednesday. The first public showing will be Friday at a shopping center.

Last Competitor

NEW YORK UPI—Don Schollander has joined the last of the competitors entered in the National Amateur Athletic Union swimming championships at Brandon, Fla., April 7-9.

Indianapolis Indians Split Pair In Spring Exhibition

BRADENTON, Fla. UPI—The Indianapolis Indians of the Pacific Coast League split even in a pair of spring baseball exhibitions over the weekend.

The Indians beat Syracuse, 8-1, Saturday at Sarasota and then bowed to Vancouver, 7-6, here Sunday. The Indians and Vancouver will meet again today at Sarasota.

Against Syracuse, the Indians collected 13 hits, including a home run by Buddy Bradford and a triple by Dick Kenworthy. Three rookie pitchers held the Chiefs to just two hits, including Bert Franklin's bases empty homer.

Vancouver rallied with two out in the ninth Sunday for the victory after the Indians had gone ahead, 6-5, on Dick Littleton's two-run homer. Singles by Woody Huyke and Hector Martinez and a double by Terry Kubiak provided the victory margin.

Haley Young homered for the Indians as lead-off batter in the fifth and Tim Talton hit a three-run homer for Vancouver

in the fourth.

The Indians are now 2-2 for the exhibition season with two victories over Syracuse and two losses to Vancouver.

Body Found
MICHIGAN CITY — UPI — The body of Kaspar Wilgus, 54, Chicago, was found Sunday on a Lake Michigan beach at Beverly Shores about two miles west of here.

Porter County coroner Arthur Olson said Wilgus, who had been missing since last Nov. 21, had drowned but he did not immediately rule on the circumstances of the death.

Fatally Burned
FORT WAYNE, UPI — Mrs. Pearl Allen, 81, a widow who lived alone, was burned fatally Sunday in a fire at her home here.

Firemen found the body on a badly-charred daybed on the first floor of her two-story home.

The woman was reported to be a heavy smoker and firemen speculated that she may have fallen asleep with a lighted cigarette in her hand.

Million-Dollar Grant
Turns Up Vital Clue

By Alfred Sheinwold
With the haircuts the boys wear and the pants the girls wear it's not safe to rely on old-fashioned ways of telling them apart. Fortunately, a wise government gave me a large grant to investigate this problem, and I have discovered that you can tell the boys from the girls by the way they bid certain bridge hands.

There's no doubt about it: today's hand was bid by girls. You can tell by the fact that they got to six spades.

South took the jack of diamonds and thought about the first trump play. There was no hope unless West had the queen of spades, and any play would work if the five trumps broke 3-2. The problem was how to allow for a 4-1 break.

If East had the singleton seven or eight, South could make the slam by leading the jack of spades. If West had the singleton queen of trumps, South had to lead a low trump first rather than the jack.

GOOD CHOICE

South ruled out the possibility that East had the singleton seven or eight of trumps because West, a very masculine type, would surely double six spades if he held four trumps to the ace-queen. South therefore led a low spade at the second trick and made the slam.

"What was so girlish about bidding six spades?" you may ask. It was too docile. Experts have written so much about the advantages of having four trumps in each hand that girlish types ask no questions when they discover a 4-4 fit. Actually, a weak 4-4 trump suit is sometimes no bargain.

The right kind of man would bid six notrump, which South can make whenever West has the queen of spades even if the spades are 5-0. At six spades, South may well go down even if West has the queen of spades.

ANSWER: Bid 1 NT. This shows 16 to 18 points in high cards, with balanced distribution and strength in at least three suits.

Pencil Given As A Gift Led To School Founding

Machine Gene
King Feature

By ROBERTA ROESCH

"Sometimes when you expect it least, a small event can chart your course to new opportunities and influence the direction of your entire life," says lecturer Induk Pakh. She is also the founder of a Korean school for underprivileged boys and author of the book "The Hour of the Tiger."

"I say this," Mrs. Pakh added, "because when I was seven years old, a simple yellow pencil given to me at Christmas gave me my own opportunities." Christmas Gift

That year, Mrs. Pakh explained, she and her mother, who were Buddhists at the time, attended a Christmas service in another village. When presents were given after the service, each boy received a pencil and each girl a handkerchief, except Induk. She was given a pencil.

"Back in our own village, there was not another boy or girl who owned a pencil," Induk said, "so because I had one—and because girls in Korea did not go to school ordinarily—my mother sent for a scholar who had been a friend of my late father and asked him to teach me the Korean alphabet. Later she dressed me in boys' clothes and enrolled me in a boys' school."

Still later, Induk attended a new mission school for girls and, subsequently, Wesleyan College in Macon, Ga. Resolution Made

Because of her own opportunities, she resolved she would devote her life to providing for the education of impoverished young Koreans.

She began by lecturing at Berea College in Kentucky. There she became inspired to start a Berea in Korea for poor boys. When she discussed the possibilities with the president of Berea in Kentucky, he suggested she raise some of the money by writing. Her first book, "September Monkey," resulted from this.

In the meantime, she carried on a year-in-year-out lecture schedule whenever she could. But while the funds were accumulating, her spirit and her savings were wiped out simultaneously when the money was taken by an old friend she knew in Korea who had persuaded her to entrust it to him for investment.

"For a while," Induk admitted, "I felt I couldn't start again. But ultimately my determination drove me to begin again."

Finally, with the extra help of donations from friends, Berea in Korea was opened in 1964, eight miles outside of Seoul. Too Many Applicants
"One hundred and forty boys

applied," said Induk, "but we only had room for 30. So when I saw the faces of those who had to be turned away I knew more than ever before that I had to keep up my traveling

Lecturer Induk Pakh Founded A School For Boys In Korea.

and lecturing, just to change the look on the faces of those boys.

"I work like a mad woman to do it," she said. "But I feel I am continuing a way of life that was charted and influenced through the years by the small event of receiving a single pencil in a Korean church."

An article in "Problems of Philosophy," a theoretical journal, admitted that during the 17-month reign, the post-Khrushchev "collective leadership" has not closed the loopholes through which a determined man could seize total power.
The unprecedented warning came as delegates—including leaders of Eastern Europe's Communist-ruled nations, headed here for Tuesday's opening press.
Party's delegations from North Viet Nam, North Korea, Hungary and other Communist states already had arrived. Leaders from Poland, Czechoslovakia and other nations were expected today.

Several members of the Greencastle Senior Chapter of Future Homemakers of America attended the Spring Central District Meeting at Indianapolis Pike High School on March 19. The meeting was very interesting and profitable to our members. We are proud to announce that Vickie Aker was elected State Secretary-Treasurer; she served as District Secretary this year. Jane Scholl was elected District Public Relations Chairman, she held the office of District Program Chairman this year. Our chapter won first place in the name-tag judging contest.

The business meeting was held during the morning session. The officers gave their various reports and carried out the theme "F. H. A. Future's Foundation" during the meeting. The candidates for the 1966-67 offices were introduced to the audience and each answered a question about the teenage problems. At noon the members enjoyed dancing and tours through the recently built Pike High School.

In a style show, "Spring in the Air," Mrs. Ione Smith, Ayres Glendale Fashion Coordinator, told the proper way to select clothes. Then we enjoyed seeing the various talents of district members in a talent review. At the close of the meeting, the 1966-67 officers were installed in a very beautiful and impressive ceremony.

The members of our chapter fully enjoyed the day and are looking forward to the Fall District Meeting.

A HOUSE subcommittee reveals that it costs the United States government approximately \$160 million a year to prepare statistics. Gosh!—wonder how much it cost to figure THAT out!

Some 15,000 federal employees are engaged in the statistics task. That, in itself, is a mighty good figure.

Final Medicare Alert Is Issued

WASHINGTON UPI — The Social Security administration is sounding a final alert this week for anyone 65 or over to sign up for the medicare program's voluntary insurance against doctor's bills or be left out.

The deadline for the insurance, which will cost \$3 a month, is midnight March 31. Anyone who fails to register may have to wait two years for another chance. The program goes into operation July 1.

To make it easy as possible, Social Security's 712 offices around the nation will be open until 9 p. m. today, Tuesday and Wednesday and until midnight Thursday. In addition, the nation's 34,000 post offices also have been supplied with the short-term application, which must be postmarked by midnight, March 31.

The insurance is designed to

supplement the basic hospital coverage provided by medicare and will cover a major share of doctor's bills. Registration for the basic program is automatic. But eligible oldersters must register for the insurance—and by midnight March 31.
